+91 9390569779 | guptakajalkumari9@gmail.com | Hyderabad, India | [LinkedIn](#) | [Portfolio](#) | [GitHub](#)

Experienced Full Stack Developer with 1+ years of expertise in designing and developing scalable software solutions using modern technologies like React.js, React Native, Node.js, and PostgreSQL. Proficient in building cross-platform solutions, optimizing RESTful APIs, and enhancing user experiences. Skilled in Agile methodologies, cloud platforms (AWS), and UI/UX design.

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript.
- **Frontend Development:** React.js, HTML5, CSS3, TypeScript, React Native.
- **Backend Development:** Node.js, Express.js, RESTful APIs, Sequelize, FCM (Firebase Cloud Messaging).
- **Database:** PostgreSQL.
- **Cloud Platforms:** AWS (EC2, S3).
- **Development Tools:** Visual Studio Code, Git, Postman, Figma.

WORK EXPERIENCE

Full Stack Developer, Genamplify Solutions Hub Pvt Ltd, Hyderabad | Jan 2024 – Jan 2025

- Developed responsive web and mobile applications using React.js and React Native, ensuring 100% cross-platform compatibility.
- Optimized RESTful APIs using Node.js and Express.js, reducing response time by 40% and enhancing data processing efficiency.
- Integrated FCM (Firebase Cloud Messaging) for real-time updates, improving user interaction and reducing latency by 35%.
- Managed PostgreSQL databases, ensuring 99.9% data accuracy and faster query performance.
- Boosted application speed by 30% through continuous testing, debugging, and optimization of web and mobile environments.
- Crafted UI/UX layouts in Figma, enhancing user engagement by 25%.
- **Tech Stack:** React Native, React.js, Node.js, Express.js, PostgreSQL, AWS (EC2, S3), Postman.

PROJECTS

Ship-Ease – Delivery Management Platform:

- Constructed a full-stack delivery management platform to streamline logistics for businesses and individual users.
- Integrated real-time tracking, seamless booking, and secure payment gateways, improving customer experience by 40%.
- Implemented JWT authentication for secure API access, ensuring robust user verification and seamless session management in Node.js application

E-Commerce Application:

- Built a feature-rich e-commerce mobile application using React Native, Node.js, PostgreSQL, and AWS for backend and cloud integration.
- Utilized AWS S3 for image storage and PostgreSQL for efficient product data management, reducing app load time by 20%.

Personal Portfolio:

- Designed a responsive portfolio website using HTML, CSS, and JavaScript, showcasing projects and technical skills.

ACADEMICS

Gitam University, Visakhapatnam | 2022

Degree – Bachelor of Degree

Naidu Junior College, Hyderabad | 2018

Intermediate
